And each horse, mare, or gelding, &c. place, as she or they come in, by the ending-post, each heat, as 1st, 2d, or 3d, &c. shall be determined by such judges as shall be appointed for that purpose, by the Master of the Horse. And in case any horse, mare, or gelding, shall be then, or after proved, to be above the age of six years the grass before, the owner or owners of such horse, mare, or gelding, shall be made incapable of ever running for any of the King's plates hereafter.

As many of the riders as shall cross, jostle, or strike, or use any other foul play, as shall be adjudged by such person or persons as shall be appointed by the Master of the Horse, such rider shall be made incapable of ever riding any horse, mare, or gelding, for any of his Majesty's plates hereafter; and such owners shall have no benefit of that plate, but such owners may be permitted to run any horse, mare, or gelding, for any other of his Majesty's free plates hereafter.

Every rider shall, immediately after each heat be run, be obliged to come to the ending-post, with his horse, mare, or gelding, then and there to alight, and not before, and there to weigh to the satisfaction of the judges appointed for that purpose.

And in case of neglect or refusal thereof, such owners and riders shall be immediately declared incapable of running or riding any more for this, or for any of his Majesty's plates hereafter.

And in case any difference shall arise relating to their ages, or in their running, or to these his Majesty's orders, &c. the same to be determined by such person or persons, who shall be appointed by the aforesaid Master of the Horse.

These articles will continue in force for succeeding years, unless directed to the contrary by his Majesty.

ORDERS settled by the JOCKEY-CLUB.

May 26, 1770.

RESOLVED by the members of the Jockey-Club to meet annually at dinner on the day preceding the King's birth-day.

Resolved, That three members of the Jockey-Club should be appointed stewards, and to commence their office on the fourth of June annually. One new steward to be appointed every year on the third day of June, by the steward who quits on that day, subject to the approbation of the members of the Jockey-Club then present.

The first and second vacancy of the three stewards now named, are to be settled by drawing lots, and ever afterwards the senior steward is to quit his office on the third of June, annually.

Resolved, That the three stewards, or any two of them, shall be vested with full powers to make such regulations as they think proper in regard to the exercise-ground and course.

And that the three stewards concurring, shall have it in their power to appoint such person or persons as they may chuse to keep the coffee-house, match-book, receive the stakes, and to collect the entrance-money, and all other funds belonging to the Jockey-Club.

The stewards are to be responsible to the Jockey-Club for all the money collected, as belonging to the club, and for the stakes made, and delivered to the person or persons appointed by them for that purpose.

The stewards shall have it in their power to fix the hours of starting for each match, &c. But they shall be obliged to fix those hours of starting by eight o'clock on the evening preceding the day of running.

The accounts are to be produced by the stewards annually on the third of June.

Resolved, That in case any gentleman who keeps running horses has cause to complain of any feeder, rider, groom, boy, or other person employed by him, or intrusted with the knowledge of trials, or having discovered them, directly or indirectly, by betting, or wilfully in any other way (unless allowed so to do by his master) or if any person as aforesaid, living with any gentleman, shall be discovered in watching trials himself, or procuring other persons so to do, or by any unfair means whatsoever endeavouring to discover trials, on such complaint being carried to any one of the stewards, that steward is to summon a general Jockey-Club meeting, as soon as convenient, which meeting is to appoint a committee of three members to examine into the accusation, and in case they shall be of opinion that the person or persons is, or are guilty of it, then the persons so found guilty shall be dismissed from the service of his master, and the said persons shall not be employed by any member of the Jockey-Club in any capacity whatsoever, nor shall any horse, &c. fed, or rode by him or them, in the management of which he or they are concerned, be suffered to start for plate, match, or subscription.

Resolved, That the names of the persons found guilty of those offences, shall be exposed in the Racing Calendar, and inserted in a paper to be fixed up in the coffee-room at Newmarket.

1. It is agreed that a copy of all stakes to be made for matches, subscriptions, and sweepstakes, and the day and hour of shewing, or entering, shall be fairly wrote out and fixed up, by the order of the stewards, on

the side of the chimney-piece at each end of the coffee-room, on the Sunday evening before each meeting, to continue there each day of the meeting, as notice for staking, shewing, or entering, and no other shall be insisted upon.

II. A day-book shall be kept by the persons appointed by the stewards, and continue in the coffee-room; in which shall be entered an account of all matches, subscriptions, and sweepstakes, to be run for each day, within that meeting, and as the different stakes are made, the payments shall be marked to the names of the persons so paying.

III. All stakes shall be made in cash, bank bills, bank post bills properly indorsed, bankers notes payable to bearer, or bankers notes payable to order also properly indorsed, and not otherwise, without the consent of the party or parties present concerned in the match, subscription or sweepstakes, on whose account such stakes are made.

IV. All stakes for matches, subscriptions, and sweepstakes, shall be made before starting for the same, and in default thereof by any person, he shall forfeit in like manner as if he had not produced his colt, filly, horse, or mare, to start, and shall have no claim to the stake or stakes of the match, subscription or sweepstakes, should his colt, filly, horse, or mare, have started and come first; and the said colt, filly, horse, or mare, shall be considered in regard to all bets whatsoever, as if forfeit had been paid; and this to remain in full force as an established agreement of the Jockey-Club, unless such person has previously obtained the consent of the party or parties present, with whom he is engaged, to dispense with his making his stake as aforesaid.

V. All forfeits unpaid before starting for any match, subscription or sweepstakes, shall be paid to the persons appointed by the stewards to receive the same, at the coffee-room, before twelve o'clock at night of the day such forfeits are determined; and each person making default therein, shall forfeit and pay to the persons so appointed by the said stewards, after the rate of five pounds for every hundred pounds so forfeited, which shall be disposed of by the said stewards towards such uses as they shall think fit.

VI. And in order to prevent frauds, notice shall be given, that if any person make any bett or betts from signal or indication, after the race has been determined at the post, such person is not intitled to receive, or liable to pay the same, as such bett or betts are fraudulent, illegal, and totally void; and that if any servant belonging to a member of the society shall be found to have made or engaged in the making any such bett or betts, he shall be dismissed his service, and no further employed by any member of this society.

Resolved, That all forfeits or money paid on compromising any match or sweepstakes shall bona fide be declared and entered in the day book, in order that all betters may be put upon an equality with the persons who had the match or sweepstakes, and may thus be ascertained in what proportion they are to pay or receive.

Resolved, That the stewards of the Jockey-Club shall appoint some proper person to examine every colt, or filly, being at the age of two, three, or four years, at the ending post immediately after running, the first time any colt, or filly, shall start for any plate, match, sweepstakes, or subscription at Newmarket; and the said appointed person is to sign a certi-

state of such examination, and his opinion thereupon, which certificate is to be hung up before eight o'clock the evening of the said day of running in the coffee-house at Newmarket.—But for all plates, matches, subscriptions, or sweepstakes, where the colt or filly are required to be shewn before running, the examination as above-mentioned shall be made at the time of shewing them, and the certificate of the person appointed shall immediately in like manner be fixed up in the coffee-room at Newmarket.

June 3, 1770. Resolved, That the three stewards now appointed are,

BELL's GREY ARABIAN will cover this season at 10 gs. a mare, and 5s. the servant, at Mr. John Crowther's, at Middleton Tyas, near Richmond, Yorkshire; where great care will be taken of all mares sent to him. The best corn, hay and grass, will be provided at reasonable rates, and good conveniencies for mares to foal.—Among the few of this horse's get that have started are the following: A grey filly, out of a young Starling mare, beat a son of Snap Dam, by Dormouse, last spring over the Beacon Course, for 300 gs. a side. Mr. Strode's grey filly Belinda won a 50l. plate at Guildford, and another at Canterbury. The Duke of Northumberland's grey colt won a sweepstakes at Newmarket, and another colt of his Grace's was third for the three year old plate there, when 13 started. Lord Eglington's colt won the four year old plate at Aire in Scotland, and at the same place the 50l. plate for all ages, four-mile heats, six started. Lord

March's Bellina was second to Paymaster, and won a match at Newmarket.

To cover this season, at the Great Lodge in Windfor Great Park, Berks, being the property of Bernard Smith, Stud Groom to his Majesty, at three guineas per mare, and three shillings the man, (the money to be paid at the time of covering, or when the mares are taken away) The BAY HORSE called DUNCE, which was bred by his late Royal Highness the Duke of Cumberland. He was got by Young Cade, out of a daughter of Blaze, son of the Devonshire Childers, which mare was the dam of King Herod, Dapper, Dumplin, and Mr. March's famous horse Holyhock, to which last horse Dunce is own brother, both by horse and mare, and is thought to be the best five year old horse in England. Dunce is a fine blood-bay, with three white heels, a blaze down his face; is full fourteen hands three inches high, and is allowed by all judges which have seen him to be one of the strongest completest stallions in England; he is intirely clear of all natural blemishes of what kind soever; he never started but twice; he won the 800 gs. sweepstakes at Newmarket in April 1764.

N. B. This will be the second season of his covering. Good grafs for mares, with proper care.

BOSPHORUS will cover this season at the Castle in Epsom, at 5 gs. a mare, and 5s. the servant; the money to be paid before they are taken away. There will be good hay, grafs, &c. and proper care. The above horse is sire of Lord Craven's Warwickshire Wag, who has won eight times out of thirteen that he has run; and also has received 250 gs. forfeit from Mr. C. Blake's Hyder Ally. Noblemen, gentlemen, &c. may be assured that no horse of this sort has had so bad a chance of getting a racer; the proprietors not being breeders, have never put a mare of their own to him, neither has he had the dam of any capital runner; but he has produced a racer from a mare which never bred a better, though she has been covered by Blossom, Snap, &c. which makes it clear of all doubt, if he has an equal number of good mares, he would get as many good racers as any of the present stallions, as he is of the

same blood as the present first-rate horses, descended from Childers and the Godolphin Arabian. Whoever pleases to send a mare to this horse, need not in the least fear but of having their expectations answered from him, as soon as from any other horse which may cover at a much higher price. He is upwards of 15 hands high, of just proportion, very healthful, and free from all blemish, and in his time a good racer both with high and low weights. For particulars, see the account of stallions in Heber's Book from 1763 to 1768.

SPOT will cover this season at Stoke, near Grantham, at one guinea a mare, and half a crown the servant. Spot was got by **Blank**, his dam by **Regulus**, his grand-dam by **Old Royal**, which was the sire of **Capt. Appleyard's Bald Charlotte**, his great grand-dam by **Mr. Curwen's grey Barb**, his great great grand-dam by **Mr. Curwen's bay Barb**, which was the sire of **Brocklesby Betty**, **Mixbury**, and several others in high form. Spot was a good racer, and maintained his form several years. A horse so well bred, with his fine form and strength, gives the best expectations of his getting good racers by proper mares, tho' he covers at so small a price.

At the same place, at half a guinea a mare, and 1s. the servant, **SLOUCH**, own brother to Spot. A horse of great strength, and very likely to get chapmen's horses.

MATCH'EM will cover mares this season at Mr. Arrowsmith's, at the sign of the Old Cade, near Catterick Bridge, at 20 gs. a mare, and 5s. the groom.

Also at the same place, at 3 gs. and 2s. 6d. the groom, **LE SANG**. He was got by **Changeling**, own brother to **Match'em**, and out of **Mr. Fenwick's Dutchess**. She is likewise the dam of **Dux**, **Phoenix**, and **Chymist**; all got by **Match'em**.

N. B. The above place is a very warm and dry situation, where there are good conveniencies for mares, and plenty of good hay and pasturage.

DOWLA will cover this season at Mr. Oxlade's, at Bisham-park, in Berkshire, at 10 gs. a mare, and 5s. the

groom. Dowla is a bay Arabian horse of great beauty, size, and strength; was bred in the mountains of Moses by the king of Senna, whose medal he was chose to wear when 3 yrs. old, as being the finest high-bred colt in Arabia Foelix. He is now rising 7 yrs. old, perfectly sound, free from blemish, and has the merit of being highly esteemed for his bone and symmetry.

N. B. Colts of his get may be seen at Mr. Oxlade's, which are remarkable for strength and fine shape. There are exceeding good conveniencies for mares at Bisham-park, where the greatest care will be taken of them. The money to be paid before the mares are taken away.

ECLIPSE will cover this season at Epsom, at 50 gs. a mare, and one guinea the groom.

SULTAN will cover at the same place, at 2 gs. a mare, and 5s. the groom.

N. B. The money to be paid before the mares are taken away. Good grass, and proper care.

REGULUS will cover at the Greyhound-inn at Sutton, in Surry, at 3 gs. a mare, and 5s. the servant. He is 7 yrs. old, was bred by me, and got by Old Regulus, out of the noted mare Sappho, and is the highest-bred son of Old Regulus, and the nearest in blood to the Godolphin Arabian of any one. His pedigree is as follows, viz. Old Regulus was got by the Godolphin Arabian, out of Grey Robinson, got by the Bald Galloway, his grand-dam by Old Snake, and his great grand-dam by Old Wilkes, got by Hautboy. Sappho was got by Old Regulus, out of Lodge's roan mare, got by Partner, out of a sister to Old Mixbury, got by Jig, her grand-dam by Dales's horse, bred by Lord Cardigan, out of a full sister to Leeds, and got by the Richmond Turk, her great grand-dam by Why Not, got by the Fearnought Barb, her great great grand-dam by Wilkinson's Bay Arabian, out of a natural Barb mare, bought of Lord Arlington. Witness my hand,

FRANCIS SALT, Lothbury, London.

N. B. Regulus, the first time he started, won the 4 yrs. old plate at Ascott in a high form, but his off

hip being struck down in the mare's belly, he could not stand training and running. He is near 15 hands high, and very boney. Good grafs for mares, and great care taken of them.

SPANKER, at Swalcliffe, near Banbury, Oxfordshire, at one guinea each mare, and half a crown the servant; the money to be paid at the time of covering, or before the mares are taken away. He was got by Sir Marmaduke Wyvill's Antelope; he was got by the famous Belgrade the Second, his dam was Lord Leigh's Charming Molly; she was got by Lord Godolphin's Whitefoot, her dam by Stanier's Arabian, her granddam by the Tong Barb, out of Sir Ralph Milbank's famous black mare. He stands 15 hands and a half, is perfectly sound, and free from all natural blemishes; he never was in training after he was 5 yrs. old; never started but eight times, out of which he won seven; full master of any weight in the field, and the colts of his get very strong and boney. Good grafs for mares, and proper care taken of them, at 3s. 6d. per week.

 and the parties further agree to produce and shew, and weigh on the said
 weighing day cocks for bye-battles, subject to
 the same weights as the main cocks before-mentioned, and those to be

 battle, to be as equally divided as can be, and added to each pit or day's
 play with the main of cocks ; and it is also agreed that the balance of
 the battle money shall be paid at the end of each pit or day's play, and to
 fight in fair reputed silver spurs, and with fair hackles, and to be subject
 to all the usual rules of cock-fighting, as is practised at London and
 Newmarket, and the profit of the pits or day's play, to be equally di-

*The following R U L E S, relating to the Methods of Matching and Fighting
 of Cocks in London, said to have been in practice there ever since the Reign
 of King Charles II.—Which Methods in Fighting a Main are,*

TO begin the same by fighting the lightest pair of cocks (which fall
 in match) first, proceeding upwards, to the end ; that every lighter
 pair may fight earlier than those that are heavier.

In matching (with relation to the battles) it is a rule always in London,
 That after the cocks of the main are weighed, and the match bills are
 compared,

T hat every pair of dead, or equal weight, are separated, and fight
 against others, provided that it appears that the main can be enlarged, by
 adding thereto either one battle or more, thereby.
